-

BUSINESS EXPERIENCE

- 2020 M6, Neuilly sur seine**
Investor relations and corporate finance internship (3months)
 - Prepared the activity report and financial presentation of the first semester, aiming at exposing the effects of lockdown to the investors while showcasing the company's ability to recover.
 - Organised and participated in the board conference for the publication of the first half results.
 - Constructed a monthly working capital requirement prediction model for the next 6 months using R and SAP BFC that enabled the company to fulfil the forecasting needs of their major investor (RTL).
- 2019 - 2020 UCL RETAIL AND LUXURY BUSINESS SOCIETY, London, United Kingdom**
Treasurer
 - Led committee meetings with the President of the society to evaluate the society, set further goals and manage the organisation of the events.
 - Created 10 events related to the society's issues while keeping a business focus to broaden the scope of potential attendees.
 - Maximised the cost/attendance ratio of events to manage the society's funds notably by finding relevant masterclasses that could be split into several events while keeping relatively low costs.
- 2019 MAHOLA, Paris**
Hostess
 - Ensured the smooth running of 5 congresses by guiding speakers of diverse specialties and nationalities through their presentations and managed the coordination of a crew of 10 hostesses.
 - Distributed flyers and goodies to promote various brands and events.
- 2019 ROLAND BERGER, London, United Kingdom**
Consulting Discovery Internship (1month)
 - Identified similar companies using QUID networks as part of a Benchmarking project.
 - Compared the similar companies' P&L through financial statement analysis and created a summary excel of the results used by Partner in meetings.
- 2018 MADAGASCAR CONSTRUCTION ET PARTAGE, Madagascar**
Project Leader
 - Founded and managed a team of 12 senior class students.
 - Raised 20 000 euros through sponsorships and bake sales (2,000 more than the initial goal) in order to build a new school, provide scholarships and renovate the village's facilities.
-
